IMKASID 2019

The 3rd International Meeting on Intestinal Diseases
in Conjunction with the Annual Congress of
the Korean Association for the Study of Intestinal Diseases

*“Lighting Up the Way for Advanced Intestinal
Research and Practice”*

April 12-13, 2019 | Seoul Dragon City, Korea

Important Dates

Abstract Submission Deadline January 28, 2019

Pre-Registration Deadline March 18, 2019

Hosted by

Who should Attend?

Clinical, translational, and basic researchers, physicians, and allied professionals across intestinal diseases related disciplines will convene at the 3rd IMKASID in Seoul. These top tier professionals will share their best practices and findings, making this event the premier congress for advancing research in the pathogenesis, prevention, and treatment of intestinal diseases.

Why Attend?

- To update and exchange knowledge of basic and clinical research of intestinal diseases in Asia through attendance and global networking.
- To estimate an exchange of ideas by hearing expert's debates about the most appropriate approach to the case-based problems related to major intestinal disease topics.
- To gain direct access to an internationally renowned faculty of top experts in the field of intestinal diseases.
- For young doctors, the meeting will provide a stepping stone for them to make an early debut on the international stage.
- To grasp an opportunity for young aspirants to apply for a young investigator award or a travel award.
